Dear Ms. Phillips:

As you discussed with Tracy Zur of my office this afternoon, the Friends of Paul T. Fader Committee, which is registered with the New Jersey Election Law Enforcement Commission, understands that the contribution it made to the New Millennium PAC in April 2002 and the New Jersey Senate 2002 campaign in May 2002 inadvertently triggered federal reporting requirements. Hence, the Committee has requested a refund of these contributions.

I forward to you copies of the letters sent to the involved committees and will forward to the Federal Election Commission copies of the refunded checks if you require. Additionally, we will be reporting these refunded contributions on our next ELEC report due on October 15, 2002.

Thank you for your guidance in this matter.

Very truly yours,

Victor Herlinsky, Jr.
 Treasurer
